

Awards Evening

Welcome to the last newsletter for 2018.

What a wonderful year it has been and this week we have enrolled our 520th student for 2019. Whilst this seems to be a large number, we have designed the organisational structure of the school to be very responsive to enrolments in terms of minimising disruptions. Still, it is clear that, as more enrolments come through the door in 2019 we may have to adjust classes and rooms to accommodate the expected growth. Be assured we will be working very hard to minimise these changes and the disruption caused.

On Monday the Administration team met with the builders to secure the handover of the new school. We have had a quick look through the new school and, apart from the final finishing touches being applied, the buildings look spectacular. We will be ready to accept all of our new students on their first day, Monday 4 February, 2019.

For those families wishing to tour the school buildings, we will conduct tours after school has started in February 2019. Watch out in this newsletter and on our Website for dates and times.

Reiterating what I said at our End of Year Concert, I would like to thank all of our school community for their input, support and enthusiasm across this year. Thank you to our amazing teachers, Education Assistants, Front Office team, School Board and Community Consultation Group, our School Nurse and Psychologist, children and families. Your commitment has helped shape our school into the success it has been this year and I look forward to building upon this in 2019.

Thanks also to our Local Member, Yaz Mubarakai for his wonderful support of our school. It has been a pleasure working with Yaz. To our suppliers, contractors and external agencies I would like to pass on a heartfelt thanks on behalf of our school community for your support.

School for students will finish this Thursday afternoon and resume on Monday 4 February, 2019. The Front Office team will take enrolments from Tuesday 29 January, 2019 in the new school Administration building. The office will be closed until then.

Finally, I would like to wish everyone a safe and wonderful time this Christmas and New Year. Stay safe and enjoy the opportunity to do all of those family things that bring us all together.

See you at the new gate in 2019.

Noel Morgan, Principal, Aspiri Primary School.

Yesterday you would have received your child's end of year report. This report fulfils our reporting to parents obligation as mandated by the Department of Education in Western Australia, as well as our continued commitment to keeping you informed about your child's academic, physical and social development. We are very proud of the progress of all of our students and they should be congratulated on their achievements this year.

Pre Primary students received their report on Monday 10 December, 2018.

Kindergarten students received their report on Wednesday 12 December, 2018.

If you have any concerns or would like further information about your child's progress, please don't hesitate to make an appointment with their classroom teacher.

First Day of School 2019

Yesterday, all families enrolled for 2019 received an email with information regarding the first day of school in 2019. This email will also include a map showing parking arrangements and muster areas for the first day. If you do not receive this email, please contact the school on 9397 8300 as soon as possible.

Thank You

As we enter our final day of schooling for 2018, I would like to pause to say a big thank you to the following people;

Thank you to the teachers, education assistants, administration and cleaning staff! New schools are never easy to create; an enormous amount of work goes in behind the scenes to make sure that the classrooms are ready for your children, are well resourced and look beautiful. All of our staff have worked endless hours to ensure that your children have the best educational experience we can offer. Thank you for their bright smiles every morning when they open the doors, their flexibility, their passion and their commitment.

I also need to thank the husbands, boyfriends, and children of our staff members. You may not realise but many of these family members have also helped us along the way with setting up classrooms, putting bikes together, covering books, pumping balls, making mud kitchens, hanging basketball hoops and volunteering at BBQs and functions. They have also been patient with the teachers staying at school to complete tasks, working on their computers late at night and on weekends, and laminating in front of the TV!

Additionally, I would like to thank our parents and community. We have had wonderful support from a wide range of people in our community this year. We have been overwhelmed with volunteers giving their time in classrooms, and parents and community members willing to cover books. We have enjoyed getting to know you and your family, greeting you at the gate every morning and watching the children grow and gain confidence in the school.

We look forward to the new year and continuing our relationship.

Sheri Evans

Associate Principal

Aspiri Primary School would like to thank our key supporter, Peregrine Estate. This is a boutique private estate, just 500m walking distance to Aspiri Primary School and within its local catchment. For more information, please contact Eric Fernandes on 0421 074 963.
